Know More About Me Before You  
Invite me to Your Next Event

Manbir helps leaders achieve a balanced and sustainable growth for themselves and their organization by facilitating alignment of aspirations, purpose, and actions. She is passionate about helping leaders and teams bring more humanness in their mindset and actions.

Manbir's coaching approach is based on four elements: Aspirations-Awareness-Accountability-Action  
She is a thought partner for her clients, and helps them generate deep awareness, inspires them to take action, reflect-back, and continue generating awareness and most importantly results!

## Manbir Kaur, Executive & Leadership Coach

## Manbir has Authored Two Books: First One Was Nominated as Top 5 Business Books for 2018

Manbir is a regular contributor to many Publications including HBR, Business World, Your Story, People Matters etc.

# Human Potential is Limitless

---

She believes that a lot can happen if we engage to utilize our human potential and our strengths. Trusting conversations are at the core of transformations. Sometimes, the team needs to hear about the importance of simple things and get motivated to make an impact.

stering Trust & Collaboration

# Every Talk / Workshop is Customized

## **Not About Filling an Hour**

She believes that you have a Business Objective for the Talk.

She knows that you want the audience / participants to leave the room feeling empowered to take action and make an impact.

She has a goal to help you build a lasting change for your organization.

## **Preparation is Key**

She works hard to collaborate with you to ensure that her talk helps you achieve your business objectives.

She creates specific exercises to drive home the point, all her sessions are experiential.

She co-creates the experience by blending real life examples, exercises and practical tips.
